Sheppy's Low Alcohol Classic Cider has all the same flavour profile of our traditional cider range but with less alcohol. It is made with a carefully selected blend of Somerset's finest traditional and dessert cider apples and is designed to be just as enjoyable as customer's favourite Classic Draught Cider.

At just 0.5% ABV, this traditional, classic cider remains true to our cider-making heritage and methods, featuring the same base cider blends that make up our core range.
